Pursuant to Fed. R. App. P. 26(b), Plaintiff-Appellant Inline Plastics Corporation (“Inline”), respectfully moves for an extension of time of fourteen (14) days, from April 25, 2014 to May 9, 2014 to file its opening brief in the above-captioned appeal. In support of this motion, Inline states as follows:

1. This is an appeal from a Final Judgment of noninfringement entered in favor of Defendant-Appellee in a patent infringement action on February 4, 2014. Inline timely filed its Notice of Appeal on February 14, 2014. This appeal was docketed in this Court on February 24, 2014, thus Inline’s opening brief is due on April 25, 2014.

4. Professional commitments in other matters have limited the time necessary to prepare Inline’s opening brief. Due to these other commitments, Inline requires an extension of fourteen (14) days to submit its opening briefs. Inline has not previously sought any extensions of time in this appeal.

5. Counsel for Inline has conferred with counsel for Defendant-Appellee, who does not oppose this requested extension of time.

For the reasons stated above, Inline respectfully requests that this Court grant an extension of fourteen (14) days, from April 25, 2014 to May 9, 2014 to file its opening brief in this appeal. A proposed order granting the relief requested is attached to this motion.

Respectfully submitted,

April 8, 2014
